Frequently Asked Questions

Travelling Fee:
R3 Per Km after 30 Km (First 30 is free)

Photographers:
We have a female and male photographer. Female will be with the bride and bridesmaids. Male will be with Groom.

Shooting Style:
We have a light & vivid shooting style. We like our colours to be full on colour and not dull colours. We love to capture the special moments & the priceless ones!

How long do we wait for the photos:
It depends on your package. We do the wedding and usually send a sneak peek first. It then takes 4 – 6 weeks.

Do i get discount if its a week wedding:
Yes you do! 5% discount for any package.

Are you strict or easy going photographers:
We like to give the bride & groom the best possible photo-shoot for their amazing day. The photos are the only memories you will have left. With that said we are easy going and respect any & every culture but, if we see a shot (or NEED to take one) we will tackle a few people! ☺
